THE POWER OF PERSONAL PROJECTS

Personal Project Group
Aspley Camera Club

<https://www.facebook.com/groups/245200329978915/>

Peter Law, Convenor

The first meeting of the Personal Project Group will take place at 7.30pm on Monday 22nd February at the Bracken Ridge Library Meeting Room.

This group has been established to provide a further creative opportunity for club members to work on a personal project of their own choosing over the course of the year. It provides a means of sharing and collaborating on ideas for our projects. In addition to our physical meetings every two months at the Bracken Ridge Library, images can be posted online in our Facebook Group.

Guidance and advice is sought and freely given by members of the Group. Please make full use of it as you develop your Personal Project.

The Group is now open for any club member to join.

You don't have to be doing a project, you may just wish to contribute to the many informative Group discussions.

The easiest way to join is to "friend" me on Facebook, that way I can

send you an invite and you will be immediately accepted.

Membership of this Group is free. This is yet another great way to collaborate with your camera club friends, free of competition, and to participate in discussions on our common love of photography.
